

Prepaid dental benefit solutions for the Business Health Trust

Available in two benefit levels for groups of all sizes, each SmartSmile plan offers access to a network of local, independently-owned, Quality Assured dental offices. In addition to receiving prompt, personalized service from our bilingual Member Service Specialists, plan members enjoy coverage that features:

- Highly affordable rates and copayments
- Savings ranging from 20 to 100 percent
- No waiting periods to satisfy
- No deductibles to meet
- No yearly maximum dollar limits
- Coverage on more than 175 procedures
- No claim forms to fill out
- No enrollment restrictions
- No pre-authorization for most services
- For groups as small as one enrollee
