Lifetime Maximum: \$2,000,000

Annual Deductible: \$650 Individual / \$1,300 Family. The deductible is waived for professional services billed as office visits in the office, home, or hospital outpatient department and for outpatient diagnostic x-ray and laboratory. Services provided by professionals that are not subject to the per-visit copay are subject to the annual deductible.

Annual Out-of-Pocket Coinsurance Amount: \$2,500 Individual/ \$5,000 Family. The total amount of coinsurance you are responsible to pay during a calendar year for covered services, after which the plan will provide benefits at 100 percent of the allowed amount for the remainder of that calendar year, unless otherwise specified. The annual deductible, copays, neurodevelopmental therapy, outpatient rehabilitation, repair of teeth, smoking cessation, and most services provided by participating or recognized providers do not apply toward the out-of-pocket coinsurance amount

Copay: There is a \$25 per-visit copay for each office call/home visit billed as such by a provider in the office, home, or hospital outpatient department (waived for surgery, for radiation and chemotherapy, for spinal manipulations, or if you are directly admitted to the hospital as an inpatient). Copays do not apply toward the out-of-pocket coinsurance amount.

Emergency Care in the Service Area: In the event of a medical emergency, treatment by a participating or recognized provider will be provided for a 24-hour period or for such additional time as is reasonably required to come under the care of a Preferred Plan provider. Emergency benefits will be provided at the level specified for a Preferred Plan provider. Benefits for recognized providers will be based on the recognized provider's actual charge for the service.

Care Outside the Service Area: All care received outside the service area, whether or not a medical emergency, will be covered at 80% of the allowed amount, except benefits for smoking cessation will be provided at the level specified. Any balances of charges not covered by this plan will be your responsibility.

Cost Containment Provisions: All hospital and skilled nursing facility admissions must be medically necessary. Preadmission approval is required for all inpatient admissions outside the service area if you seek care from providers who have not contracted with a Blue Cross and/or Blue Shield plan, except for emergency services or maternity admissions.

Waiting Periods: No benefits are provided for treatment relating to a transplant until you have been covered under this or a prior plan with the Company (Regence BlueShield) for six consecutive months. There is a preexisting condition waiting period that must be met prior to benefits being available. Refer to your benefits brochure for details regarding this waiting period. Maternity benefits and PKU benefits are not subject to the waiting periods of this plan.

This is a brief summary of benefits, it is not a certificate of coverage. For full coverage provisions, including a description of waiting periods, limitations, and exclusions, refer to your benefits brochure and the contract on file with your group.
