Benefit Summary

Annual maximum benefit	\$2,000,000
Deductible per calendar year	\$650 Per Member \$1,300 Per Family (2 times the member amount)
Maximum coinsurance per calendar year	\$2,500 Per Member \$5,000 Per Family (2 times the member amount)
After the maximum coinsurance is met, the plan pays	100% for the remainder of the calendar year except where noted

Understanding Your Benefits

- We will begin to pay benefits for covered services in any calendar year only after your deductible is satisfied. Your deductible applies for all services unless otherwise specified. Copayments do not count toward the deductible.
- Once you have satisfied any applicable deductible and any applicable copayment, we pay a percentage of the allowed amount for covered services. When our payment is less than 100%, you pay the remaining percentage. This is your **Coinsurance** (Member Responsibility).

You can meet the maximum coinsurance by payments of coinsurance for all categories. Any amounts you pay for non-covered services, deductible, copayments or amounts in excess of the allowed amount do not apply toward the maximum coinsurance.

Important Information Regarding Preventive Care: Benefits will be covered under the preventive care benefit if services or supplies are in accordance with age limits and frequency guidelines according to, and as recommended by, the United States Preventive Services Task Force (USPSTF), the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention (CDC) or Health Resources and Services Administration (HRSA). Covered services that do not meet this criteria will be covered the same as any other illness or injury.

You Select Your Provider and Control Your Out-of-Pocket Expenses

- **Category 1.** You choose to see a preferred provider and save the most in your out-of-pocket expenses. Choosing this category means you will not be billed for balances beyond any deductible, copayment, and/or coinsurance for covered services. You can find a list of providers at our Website or by calling Customer Service.
- **Category 2.** You choose to see a participating provider and your out-of-pocket expenses will generally be higher than if you choose Category 1 because we may negotiate larger discounts with preferred providers that will result in lower out-of-pocket amounts for you. Choosing this category means you will not be billed for balances beyond any deductible, copayment, and/or coinsurance for covered services.
- **Category 3.** You choose to see a provider that does not have a participating contract with us and your out-of-pocket expenses will generally be higher than Category 1. **Also, choosing this category means you may be billed for balances beyond any deductible, copayment, and/or coinsurance.** This is sometimes referred to as balance billing.
